1. Purpose & Scope

This document is the contract for the public marketing site. It governs:

- Information architecture and page inventory.
- Per-page content and structure.
- Brand and voice on the web.
- SEO, performance, and conversion strategy.
- Localization, accessibility, and compliance.

It does not cover the in-product UI (Document 04) or the help center (which is part of the app).

2. Audience & goals

2.1 Audiences (per PRD §5)

- Indie founder — visiting from organic / paid social; wants proof of value in < 30s.

- Consultant — visiting from search; wants pricing and a sample.

2.2 Goals

- Primary: convert visitor to signup.
- Secondary: request a demo (Enterprise).
- Tertiary: capture for nurture (Free).

2.3 KPIs

Visitor → signup	4%
Visitor → demo request	1%
Bounce rate	< 50%
LCP	< 2.0s p75
Organic traffic (Year 1)	100k MAU
